

AN 7x50MC

TACTICAL BINOCULAR

Display

The AN 7x50MC incorporates BAK-4 Porro prisms and multi-coated lenses, delivering impressive light transmission and resolution for brilliantly clear vision. Non-slip UV-resistant rubber armouring makes this unit comfortable to operate even in cold weather. The AN 7x50MC is waterproof and shockproof, features a military reticle and compass and adheres to the latest military standards while remaining light and compact.
